Love Thy Neighbor
Meet Luther Brown

In this month's "Love Thy Neighbor" column, [Hallie Jones](#) (Center For Neighborhoods) profiles Neighborhood Institute alumnus **Luther Brown** of the Strothers Association.

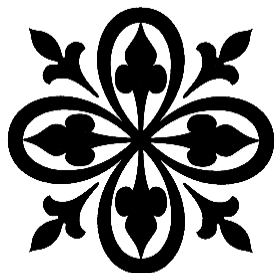

Please allow me to introduce Mr. Luther Brown. Luther lives in the Strothers Apartments, at 18th and Wilson streets in Louisville's West End. The 48-year-old father of three is an impassioned community leader who believes in spreading love, light and goodness in dying communities.

I asked Luther how he became involved in community work. What followed was a wide-ranging conversation, and rather than getting in the way of what he had to say, I'll just let him tell it:

"When I became disabled in 2000, I didn't have anything to do. I was living in Dosker Manor on the 18th floor, and I'd always be looking over at Indiana. One day, I asked myself why I was looking over at Indiana instead of looking down into my own community. So, I enrolled in the Neighborhood Institute, then the Citizen's Police Academy, then the College of Planning and Zoning. From there, it was one thing after another. My involvement increased, my network expanded and I learned how I could do things in my community."

- **Watch the video** about Luther, his neighborhood, and the mini-park he hopes to establish on a vacant lot in honor of Erika Hughes (a four year-old child who survived a shooting in 2006 that took her mother's life): <http://www.youtube.com/watch?v=qgyRvRz7BKI>

Spring 2008 Neighborhood Institute

**NEIGHBORHOOD
INSTITUTE**

The Spring 2008 Neighborhood Institute class is scheduled to begin January 22nd at the NIA Center.

We are pleased to announce that Center for Neighborhoods and Metro United Way have forged an exciting new partnership with the University of Louisville Signature Partnership Initiative in support of this class.

For more information on the **UofL Signature Partnership Initiative**, check out their website. [\[click here\]](#)

More details on the Spring 2008 class and [applications](#) are available on our website. [\[click here\]](#)
