

NEIGHBORHOOD
INSTITUTE

**Fall 2007
September 17 – December 10, 2007**

Over the next couple weeks we will have several different representatives from Louisville Metro Government visiting us. There will be speakers from Inspections, Permits & Licenses, Dept. of Neighborhoods, Planning & Design Division, the Police Dept. & Metro Council.

What do you want to ask them?

Prepare your questions ahead of time and we'll make sure the appropriate department/representative addresses it in their presentation.
