Dear Neighborhood and Community Leader,

I'm inviting you to join the 22st Anniversary class of the Neighborhood Institute, beginning Thursday, June 4th.

The Neighborhood Institute is a community leadership program of the Center For Neighborhoods, established in 1987 to provide both new and experienced neighborhood leaders with the skills, knowledge and resources needed to lead effective neighborhood organizations. Since the first class, the Neighborhood Institute has graduated over 500 leaders from every part of Jefferson County as well as from surrounding counties in Kentucky and Southern Indiana. Graduates of the Institute have developed strong friendships spanning the diverse geography of metropolitan Louisville, and have accomplished tremendous results in improving the quality of life for their neighborhoods and community. Altogether, the Neighborhood Institute has helped to establish a strengthening network of neighborhood leadership, and ever stronger neighborhoods as the result.

The Neighborhood Institute will meet ten consecutive Thursday evenings from 5:30 to 8:00 p.m., beginning June 4th at the Brandeis Apartments, 925 S. 26th Street. Classes begin with dinner and informal networking, followed by sessions that are typically as lively as they are informative. There is no fee or tuition for your participation owing to the generosity of Metro United Way and Making Connections Louisville. The only cost to you is your time, your participation, and your commitment to a project that will apply the knowledge you've gleaned toward addressing a neighborhood need, problem, or opportunity.

Please contact the Center for Neighborhoods for an application. I hope you'll plan on joining us for a greatly enriching experience, for the benefit of your neighborhood and community.

Yours truly,

Jack Trawick
