NEIGHBORHOOD INSTITUTE

RULES FOR EFFECTIVE TEAMS

- Have an open mind, avoid assumptions
- Share what you know
- Use specifics
- Explain your reasoning
- Think about whole community, not your special interests
- Ask hard questions
- Discuss **ALL** issues, even the hard ones
- Come to consensus as a team
- Respect all opinions
- 3 before me
- Release the need to be right
- Pause and think
- Be patient with yourself and others
- Listen for understanding
- Have fun
